

My Town Choir Code Of Practice

- Each MTC is unique and tailored to the needs of the community that it is part of.
- Enjoyment and community come first, musical excellence is a target but not to the detriment of these other aims.
- All proceeds of MTC concerts are donated to local charities nominated and chosen by the local choir themselves
- The MTC will always be non-auditioning and welcomes everyone aged 18 & over, regardless of gender, race or religion.
- The MTC will support its local Directors and Accompanists with music, ideas, guidance and moral support. They will be available to help when needed and not cut the local MTC adrift. The music performed by MTC will be diverse and not limited to a single style or genre. It will also not contain material or language that may offend.
- Choir Members will be encouraged to perform in concerts but have no obligation to and will not be pressured in any way.

- Although a commercial venture, the MTC is there for the benefit of the members and the local community. Community will always be at the heart of everything that we do.
- All members and Leaders are required to read and sign the My Town Choir T&Cs.
